Sponsor Benefits

As a sponsor at any level you will be acknowledged in pre and post- convention issues of PressLines, IPA's official monthly publication. Your logo and link will be prominently displayed with convention information at www.illinoispress.org, in the convention program and on signage at the convention. You will also receive a display ad in the convention program too. Sponsors may also insert one piece of literature/and or one logo item into every attendee registration bag.

**To become a sponsor or for more information contact Jeff Holman
217-241-1700 · jholman@illinoispress.org**
